Dear Sir:

Applicant hereby petitions to withdraw the holding of abandonment that has been imposed in this case. The fee for the petition under 37 CFR 1.181, as stated in 37 CFR 1.17(f) of \$400.00 is enclosed herewith. Applicant hereby also petitions to have the Patent Office accord the filing date for Applicant's correspondence filed on September 11, 2008 by Express Mail. Applicant believes that no fee for the petition under 37 CFR 1.10(e) is required. If this belief is in error, or the fees have been amended without Applicant's knowledge, Applicant authorizes the Commissioner to pay any

underpayment of fees or pay any additional fees that may be required by this paper by withdrawing them from Deposit Account No. 03-4075.

PETITION TO REMOVE HOLDING OF ABANDONMENT

UNDER 37 C.F.R. §§ 1.181 and 1.182

A Notice of Abandonment for this case was mailed September 22, 2008. This paper with these petitions is being filed within two months of receipt of the Notice.

Applicant's last communication to the Patent Office in this file was sent September 11, 2008. Applicant's communication on September 11, 2008 was an Amendment and Response to Office Action, which was filed in response to the Office Action, mailed March 11, 2008.

The Notice of Abandonment states that the application has been abandoned because of "Applicant's failure to timely file a proper reply to the Office letter mailed on 11 March 2008."

Applicant believes that it is improper to issue a Notice of Abandonment on this basis. Applicant did timely file a response to the Office Action of March 11, 2008, paying the required extension fees; and authorizing the Commissioner to pay any underpayment of fees to Deposit Account No. 03-4075.

Applicant respectfully requests that the Patent Office, on the basis of this petition, withdraw its holding of abandonment and accept and process the amendment.

PETITION TO ACCORD FILING DATE FOR EXPRESS MAIL

CORRESPONDENCE RECEIVED BY P.T.O. (UNDER 37 C.F.R. § 1.10(e))

This application should still be pending as a Response was timely filed on September 11, 2008. The Response was mailed by the United States Postal Service utilizing its Express Mail service on September 11, 2008. Applicant respectfully requests that the Patent Office acknowledge that these documents were received on September 11, 2008.

Applicant believes that the papers submitted by Express Mail Service on September 11, 2008, have not been received because Applicant has received a Notice of Abandonment in this case. Applicant received the Notice of Abandonment on September 24, 2008. This petition is being filed promptly thereafter. 37 C.F.R. § 1.10(e)(1).

The following attached papers are those required by 37 C.F.R. § 1.10(e):

1. A true copy of the originally-deposited papers and fees: the Response. The copies of the Response show that the Express Mail label was indicated on each paper.

2. A true copy of the returned Post Card showing receipt of these papers by the P.T.O.
3. A true copy of the "Express Mail" mailing label showing the "date-in."
4. A true copy of the postal receipt for the Express Mailing, showing the date of deposit.
5. A statement by Charles R. Cypher on the basis of personal knowledge that the correspondence was originally deposited with the United States Postal Service on September 11, 2008, and that the attached copies are true copies of that correspondence and the mailing label accurately reflects the date of the filing of the correspondence.

In consideration of these submissions and explanations, it is respectfully requested that the holding of abandonment be withdrawn, and that the application proceed to examination on the basis of the Resposne filed on September 11, 2008.

I, Charles R. Cypher, having been duly warned that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this document or the instant application, I hereby declare that I am authorized to execute this document; that the facts set forth herein are true; that all statements made of my own knowledge are true; and that all statements made on information and belief are believed to be true.
